**Carbine Club Member since:** 2017

Dean is the Managing Director of Dynamic Syndications. With over 35 years' experience in the Thoroughbred Industry. Spanning both Domestic and International markets, Dean owns and operates his own Bloodstock Consultancy working alongside and complimentary to Dynamic Syndications.

Dean has had racetrack success that only few will ever achieve including having won 13 Group 1 races including the Cox Plate, Golden Slipper, Blue Diamond, Magic Millions, Caulfield Guineas, Rosehill Guineas, The Galaxy, Railway Stakes NZ, Chipping Norton, Spring Champion amongst over 80 Black-Type earning success stories.

As a Member of the Federation of Bloodstock Agents – Australia, Dean has developed the skill set and is qualified to assess and determine commercial market appraisals of all bloodstock which translate into significant advantages for Dynamic Syndications and offers their owners greater certainty as to equine investment values and profit opportunities.

Early in his career, Dean studied and was awarded a Diploma in Horse Husbandry and Management from McMillan College (Affiliate - Melbourne University), Australian Stock Exchange Diploma from ASX and a Diploma in Treasury Dealing from TDC (Affiliated - Macquarie University).

In 1996, to ensure he had an overarching view of the Industry, Dean obtained a Trainers Licence in the SERA where he trained several winners. Whilst it was never his intention to become a Racehorse Trainer, Dean felt the only way to truly understand the workings of a racing stable and the most efficient way of communication with all owners and industry participants was to obtain a full understanding of the sport and its intricacies.

As a result, Dean is the only professional racehorse syndicator to have:

- Successfully held a Racehorse Trainers Licence.
- Achieved a Tertiary Qualification specific to the Thoroughbred Industry
- Been a long-standing Member of the Federation of Bloodstock Agents – Australia
- Accumulated over 30 year's industry experience.
- Won Australia's 3 Major 2YO Races: Golden Slipper, Blue Diamond, Magic Millions
- Won the Cox Plate.
